

Construction Industry Certificate Series

Mark your calendars for the weeks of May 10-13, 2010 & October 18-22, 2010

Day 1	Day 2	Day 3	Day 4	Day 5
OSHA 7500 Introduction to Safety & Health Management	OSHA 7845 Recording & Reporting Occupational Injuries & Illnesses	OSHA 7205 Health Hazard Awareness	OSHA 7300 Understanding OSHA's Permit- Required Confined Space	OSHA 7400 Trainer Course in Construction Noise OSHA 7105 Evacuation & Emergency Planning

These one-day courses are being offered as "institutes" during the weeks of May 10-14, 2010, and October 26-30, 2010. Each of the courses is also being offered individually at other times of the year. However, if you take all four of the courses offered at the registration fee of \$195 each, then the course you choose on last day is FREE!! Upon completion of the courses you will receive a special certificate for completion of the series! You do not have to take all five courses as part of the institute to obtain the series certificate; however, the "fifth course free" offer only applies to completion of all the courses within the week of May 10-14, 2010, or October 18-22, 2010. Lunches are included in the certification series course weeks.

Make your plans now and call Marianne Kautz, Program Manager, at 800.207.9399 or 513.558.1730 to register.
